Item No.HSS026

Description

- High power solar panel
- 1*AAA rechargeable battery
- 1* White LED
- Stake function
- Product size:7.3x7.3x39cm
- Stainless steel construction

Item No.:HSS051

Description

- Halo Changes colours while the white LEDs ,Top is color changes LED,
- Glass lampshade
- Motion ACTIVATED 20LUMEN when motion is detected
- Constantly glows at 5lumens in dark conditions
- High power solar panel
- 1*AA rechargeable battery
- RGB LED + White LED

Item No.HSS029

Description

- High power solar panel
- 1*14500 Li-ion rechargeable battery
- 3 White LEDs
- Solar panel maximum sun exposure
- Motion function
- Wall mount and stake functions

Solar light-HSS026

Description

- High power solar panel
- 1* rechargeable battery
- RGB LED + White LED

SOLAR DECK LIGHT-HSS019

Description

- High power solar panel
- 1* rechargeable battery
- WARM White LED

We used the sticker to fix the deck light to fence or balcony etc,not just use the screws to fix it

Item No.HPL023H

Description

- High power solar panel
- 1*AAA rechargeable battery
- 2* White+2* RGB LED

Item No.HPL021

Description

- High power solar panel
- 1*AAA rechargeable battery
- 2 RGB LED + 2 White LED

Item No.HPL027F

Description

- High power solar panel
- 1*AAA rechargeable battery
- 1 RGB LED

Can be assortment items in
Butterfly,Dragonfly,hummin
gbirds,flowers etc

SOLAR STAKE---HPL039

Description

- High power solar panel
- 1* rechargeable battery
- RGB LED
- Pack in PDQ/color box

Item No.HPL018

Ean barcode:3663602891994

Product desc: SOLAR FLOWER BY 1 Description

- High power solar panel
- 1*AAA rechargeable battery
- 1* White LED +1 RGB LED
- Stake function
- Product size:7.8x7.8x37.5cm
- Plastic construction

Item No.:HPL050

Description

- Halo Changes colours while the white LEDs ,Top is color changes LED,
- New LENS
- Constantly glows at 10lumens in dark conditions
- High power solar panel
- 1*AA rechargeable battery
- RGB LED + White LED

Solar Mini 2 in 1 Stake and hanger Traditional Plastic Lantern-HSL049S

Description

High power solar panel
1*1.2V AAA NI-MH rechargeable battery
1 warm white filament LED
Material: Plastic
Product size:10x10x37.5cm

HPL020

Solar Silver 2 in 1 Stake and hanger lantern

Description

High power solar panel

1*1.2V 2/3AAA Ni-MH 300mAh rechargeable battery

1 white LED and 1 RGB LED

Material:PLASTIC

Product size:6.7x6.7x38.2cm

HPL019

Solar Mini 2 in 1 Stake and Table Candle-HPL019

Description

High power solar panel

1*1.2V 1/3AAA rechargeable battery

1 Yellow LED

Material:plastic

Product size:7x7x37.2cm

Item No.HPL060

Description

- High power solar panel
- 1*AAA rechargeable battery
- 1* White LED
- Strap, Stake function
- Product size:15x13x53cm

Item No.HPL048

Description

- High power solar panel
- 3*AA rechargeable battery
- 8 White LEDs
- Solar panel can be placed up to 5M/15 ft. away for maximum sun exposure
- Works in all daylight condition
- ON-OFF toggle switch on 1M/3ft cord

Item No.HPL052

Description

- High power solar panel
- 2*AA rechargeable battery
- BLUE+RED +GREE COLOR LEDS

Item No.:HSP002

Description

- Halo Changes colours while the white LEDs ,Back cover can be lighting
- New LENS
- Constantly glows at 40lumens in dark conditions
- High power solar panel
- 3*AA rechargeable battery
- RGB LED + White LED
- Can be stake,strap for balcony and wall mount

Item No.HSS040

Description

- High power solar panel
- 5*AA rechargeable battery
- One lamps with 60 LED s technology produce a super bright 500 Lumens
- Solar panel can be placed up to 5M/15 ft. away for maximum sun exposure
- Variable motion sensitivity setting can detect movement up to 15M/50FT. away
- Adjustable light timer setting from 8-120 seconds or always on

Item No.HSS041

Description

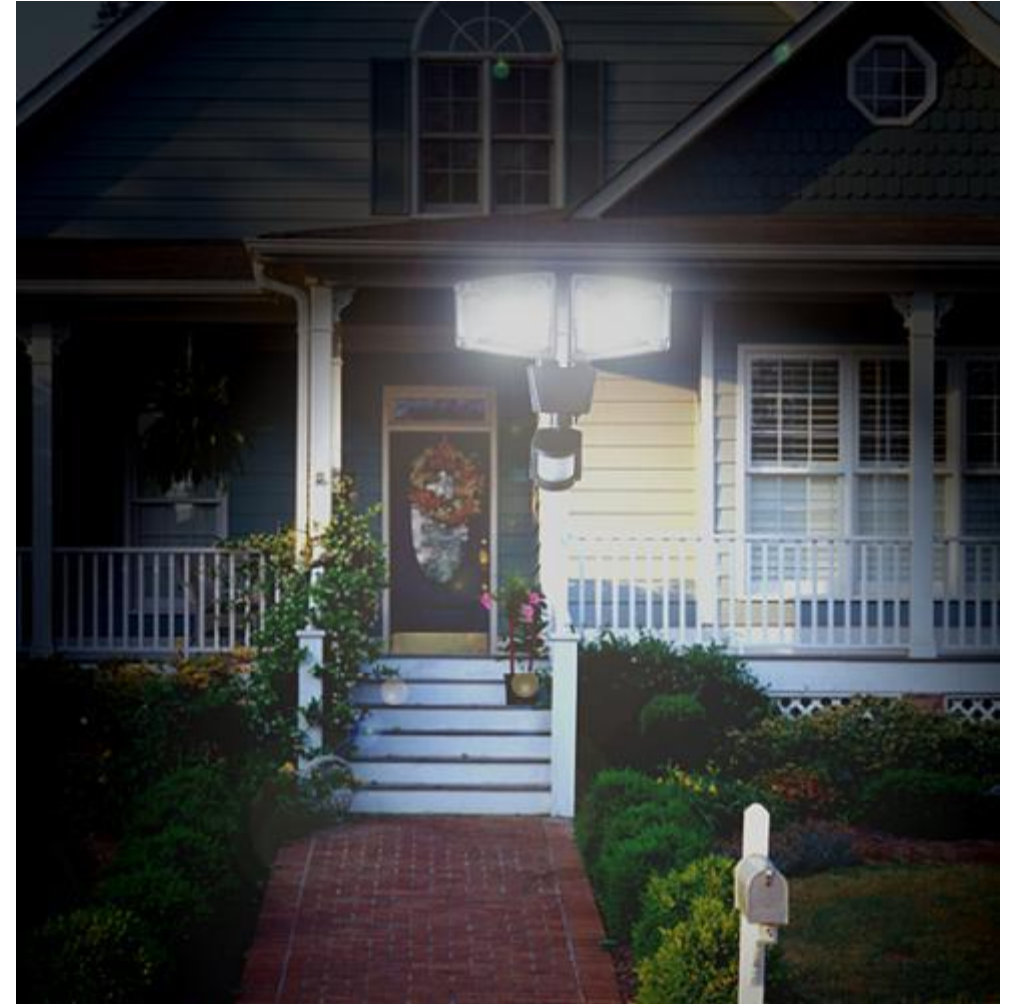

- High power solar panel
- 5*AA rechargeable battery
- One lamps with COB LED technology produce a super bright 500 Lumens
- Solar panel can be placed up to 5M/15 ft. away for maximum sun exposure
- Variable motion sensitivity setting can detect movement up to 15M/50FT. away
- Adjustable light timer setting from 8-120 se or always on

Item No.HSS042

Description

- High power solar panel
- 5*AA rechargeable battery
- Dual lamps with COB LED technology produce a super bright 600 Lumens
- Solar panel can be placed up to 5M/15 ft. away for maximum sun exposure
- Variable motion sensitivity setting can detect movement up to 15M/50FT. away
- Adjustable light timer setting from 8-120 seconds or always on
- Range of light approximately 160°

Item No.HSS043

Description

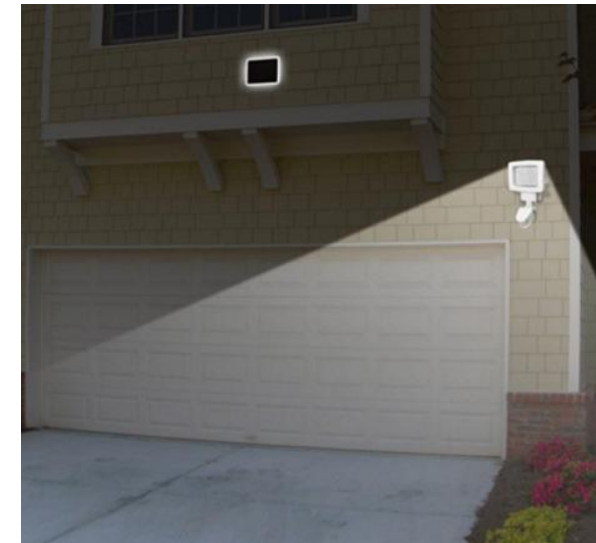

- High power solar panel
- 5*AA rechargeable battery
- Triple lamps with COB LED technology produce a super bright 600 Lumens
- Solar panel can be placed up to 5M/15 ft. away for maximum sun exposure
- Variable motion sensitivity setting can detect movement up to 15M/50FT. away
- Adjustable light timer setting from 8-120 seconds or always on
- Range of light approximately 160°
- Material:Plastic+aluminum+Glass
- Product size: solar system size:8.27"x2.36"x7.68" (21x6x19.5cm) /light topper size:5.51"x3.15"x4.53"(14x8x11.5cm)
- 1200Lumen

Item No.HSS047

Description

- High power solar panel
- 5*AA rechargeable battery
- 100 super bright LEDs
- Solar panel can be placed up to 5M/15 ft. away for maximum sun exposure
- Variable motion sensitivity setting can detect movement up to 12M/40FT. away
- Adjustable light timer setting from 8-120 seconds or always on
- Range of light approximately 160°
- Material:Plastic+aluminum+Glass
- Product size: solar system size:8.27"x2.36"x7.68" (21x6x19.5cm) /light topper size:5.51"x3.15"x4.53"(14x8x11.5cm)

- Product size: solar system size:8.27"x2.36"x7.68" (21x6x19.5cm) /light topper size:5.51"x3.15"x4.53"(14x8x11.5cm)
- 500Lumen
- Color box :Pack 1 or pallet

Item No.:HSS040

Product size:35x16.2x17.3cm

Solar panel : Amorphous 1.5W

Battery:2x3.7V 18650 2000MAH Li-ion
rechargeable batteries

LED:204pcs SMD white LEDs and 1pc Red LEDs

Working Lumen:

1600LM in motion function high
lumen;10LM(100LM) for the low working lumen

Wired length:5M

Motion angel: 120°

Motion working time:8-120s

Motion distance:40ft

Added 1 Red color LEDs for fake camera.

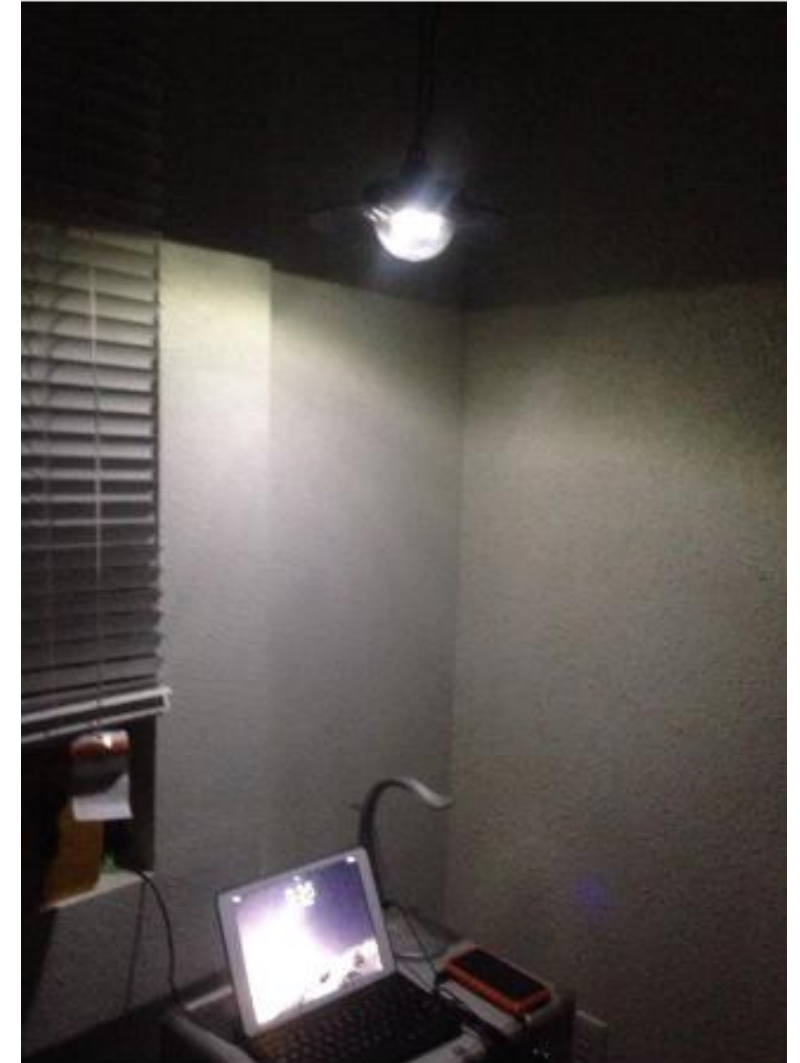

Can be selected the LEDs color in white or Warm
white colors

Item No.:HSP003

Description

- Solar Hang Shed light
- New LENS
- Remote control to select 250lm or 60lm lighting
- High power solar panel
- 1*18650 2000mAh rechargeable battery
- 4 super bright white LEDs

Item No. HSP005

Description

- High power solar panel
- 1*18650 3.7V rechargeable battery
- 49 bright LEDs
- Solar panel can be placed up to 5M/15 ft. away for maximum sun exposure
- Material: Plastic
- Product size: 7.28"x4.53"x1.24" (18.5x11.5x3.15cm)
- **Can be stake, strap for balcony and wall mount**

Item No. HSS020

- High power solar panel
- 1*18650 3.7V rechargeable battery
- 90 bright LEDs
- Can be motion and still working light
- Motion function in higher lumen in 30s, later normal lighting

Item No.:HST051

12V Amorphous Solar Panel Charger Water Proof

Product size : 161*130*28MM(Incl bracket) ;

161 *105 *14mm(Excl bracket)

Maxium Power : 1W

Output Voltage : 14V DC

Input Current : $\geq 55\text{mA}$

Solar Panel Specs : Amorphous 150 x 94 x 3 mm

Wire line : 3M

Main Materials : ABS for solar panel plate, and

Alumium for the wires

Accessories : 2 x black screws
Product with the IP65 certificate

Item No.:HDC001

12V w/Charger Lead Acid battery

Item No.:HST052

Voltage :6V

Current :65mA

Open Circuit Voltage (VOC) : $9.5V \pm .5V$

Short Circuit Current (ISC) : >70mA

Max Power :.28W

Wire :22 AWG

Length : 22 inches

Connectors : Barrel DC Plug

Item No.:HST053

Voltage 6V

Short Circuit Current (ISC) : 75mA

Open Circuit Voltage (Voc) : 7.8V

Battery: 6V 1Ah

Max Power : .4W

Wire : Armor Cable

Length : 5 ft

Connectors: Barrel DC Plug

 - 3.Solar panel: 5.5V/240MAH
 4. NI-MH Battery: li-on battery:1500mah
 5. The decoration lights is always on, the aim is coming , the sensor working with high lumen model ,motion sensor 100 times if full charged , and out put 400lumens
 6. Materials: PP

1. 2019HY1008 Solar sensor light with classics frame decoration duple function
2. size: 295*90*50MM
3. Solar panel: 5.5V/240MAH
4. Battery: li-on battery: 1500mah
5. 80pcs white led+10pcs RGB
6. The decoration lights is always on, the aim is coming, the sensor working with high lumen model, motion sensor 150 times if full charged, and out put 400lumens
7. Materials: pp
8. this has two line drawing can be chosen.

Item No.

- 1.HY20191009 Solar sensor light with temperature double function
2. size:105*650*181MM
- 3.Solar panel: 5.5V/60MAH
4. Battery: li-on battery:3.7v/1200mah
5. Sensor lights led:28pcs
5. 4pcs decoration lights for dash board is always on, the aim is coming , the sensor working with high lumen model , motion sensor 150times if full charged , and out put 400lumens
6. Materials: pp

Item No.

- 1.HY20191010 Solar sensor light with clock double function
2. size:101*65*181MM
- 3.Solar panel: 5.5V/60MAH
4. NI-MH Battery: li-on
battery:1500mah
5. The decoration lights 4pcs led is always on, the goal is coming , the sensor working with high lumen model , 28pcs SMD motion sensor 150 times if full charged , and out put 400lumens
6. Materials:pp the plastic color can be chosen

Item No.

- 1.HY20191011 Solar sensor light with humidity function
2. size:101*65*181MM
- 3.Solar panel: 5.5V/60MAH
4. NI-MH Battery: li-on battery:1500mah
5. The decoration lights 4pcs led in dash board is always on, the goal is coming , the senor working with high lumen model , 28pcs SMD motion sensor 150 times if full charged , and out put 400lumens
6. Materials:pp the plastic color can be chosen

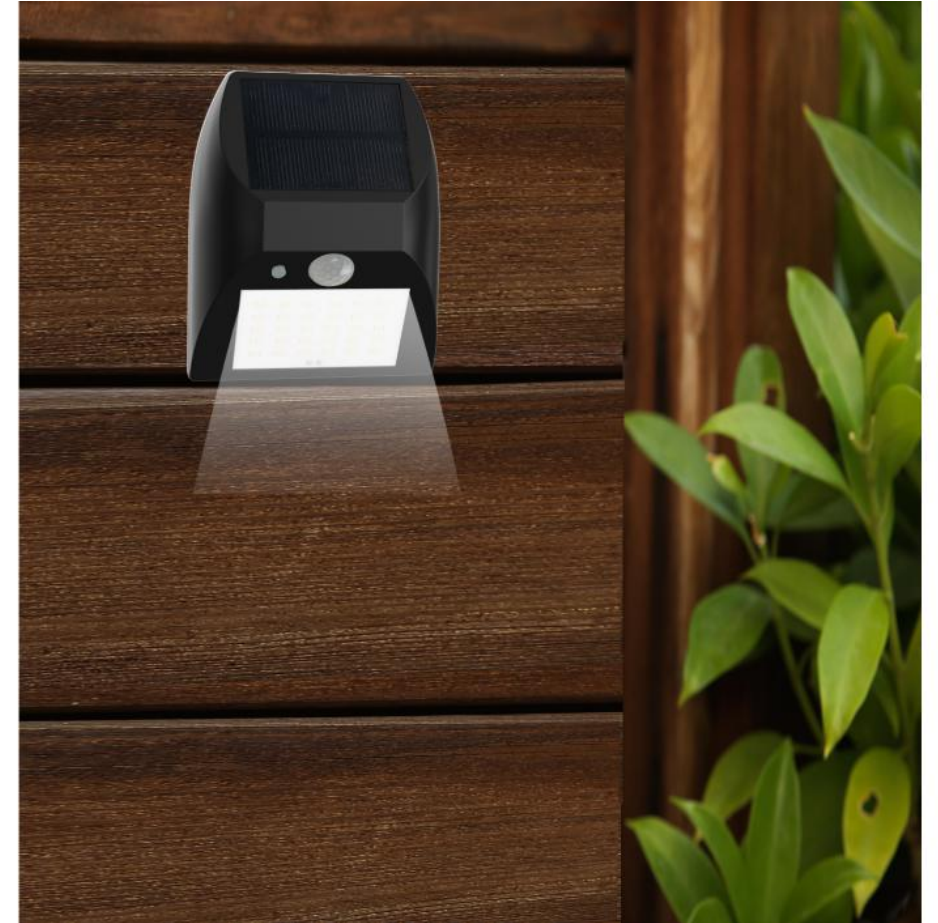

Item No.

- 1.HY201910 Solar sensor light with running horse decoration
2. size:101*65*181MM
- 3.Solar panel: 5.5V/80MAH
4. NI-MH Battery: li-on battery:3.7v, 1200mah
5. The decoration lights 4pcs led is always on, the goal is coming , the sensor working with high lumen model , 30pcs SMD motion sensor 150 times if full charged , and output 400lumens
6. Materials:pp the plastic

Item No.

- 1.HY20191030 Solar mini sensor light also for fence and step light
2. size:101*65*181MM
- 3.Solar panel: 5.5V/80MAH
4. NI-MH Battery: li-on
battery:3.7v, 1200mah
5. the goal is coming , the sensor working with high lumen model , 30pcs SMD motion sensor 100 times if full charged , and out put 200lumens
6. Materials: pp

Item No.

- 1.HY20191031 Solar three faces sensor lights also for fence and step light
2. size:160*136*600MM
- 3.Solar panel: 5.5V/140MAH
4. NI-MH Battery: li-on battery:3.7v, 1500mah
5. the goal is coming , the sensor working with high lumen model , 30pcs SMD motion sensor 100 times if full charged , and out put 300lumens 3model can be chosen
6. Materials: pp

Item No.

- 1.HY20191032 Solar hook sensor light also for fence and step light
2. size:180*120*110MM
- 3.Solar panel: 5.5V/140MAH
4. NI-MH Battery: li-on battery:3.7v, 1500mah
5. the goal is coming , the sensor working with high lumen model , 30pcs SMD motion sensor 100 times if full charged , and out put 300lumens
3model can be chosen
6. Materials: pp

Item No.

- 1.HY20191033 Solar flame sensor light also for fence and step light
2. size:101*65*101MM
- 3.Solar panel: 5.5V/80MAH
4. NI-MH Battery: li-on battery:3.7v, 1200mah
5. the goal is coming , the sensor working with high lumen model , 28pcs SMD motion sensor 100 times if full charged , and out put 200lumens
- 3model can be chosen
6. Materials: pp

Item No.

- 1.HY20191017 Solar wall lights
2. size230*130*100MM
- 3.Solar panel: 2V/100MAH
4. NI-MH Battery: 1pc NI-MH 600MAH
5. 10pcs 0.2w smd led
6. Materials: metal + cast alluminum
- 7.1pc per color box

Item No.

- 1.HY20191026 Solar flame light
2. size 500MM distance between light, single one:100*100*260mm
- 3.Solar panel: 2V/90mah
4. NI-MH Battery: 1pc NI-MH 600MAH
5. 18pcs flame led
6. Materials: plastic
7. Set of 3 per color box

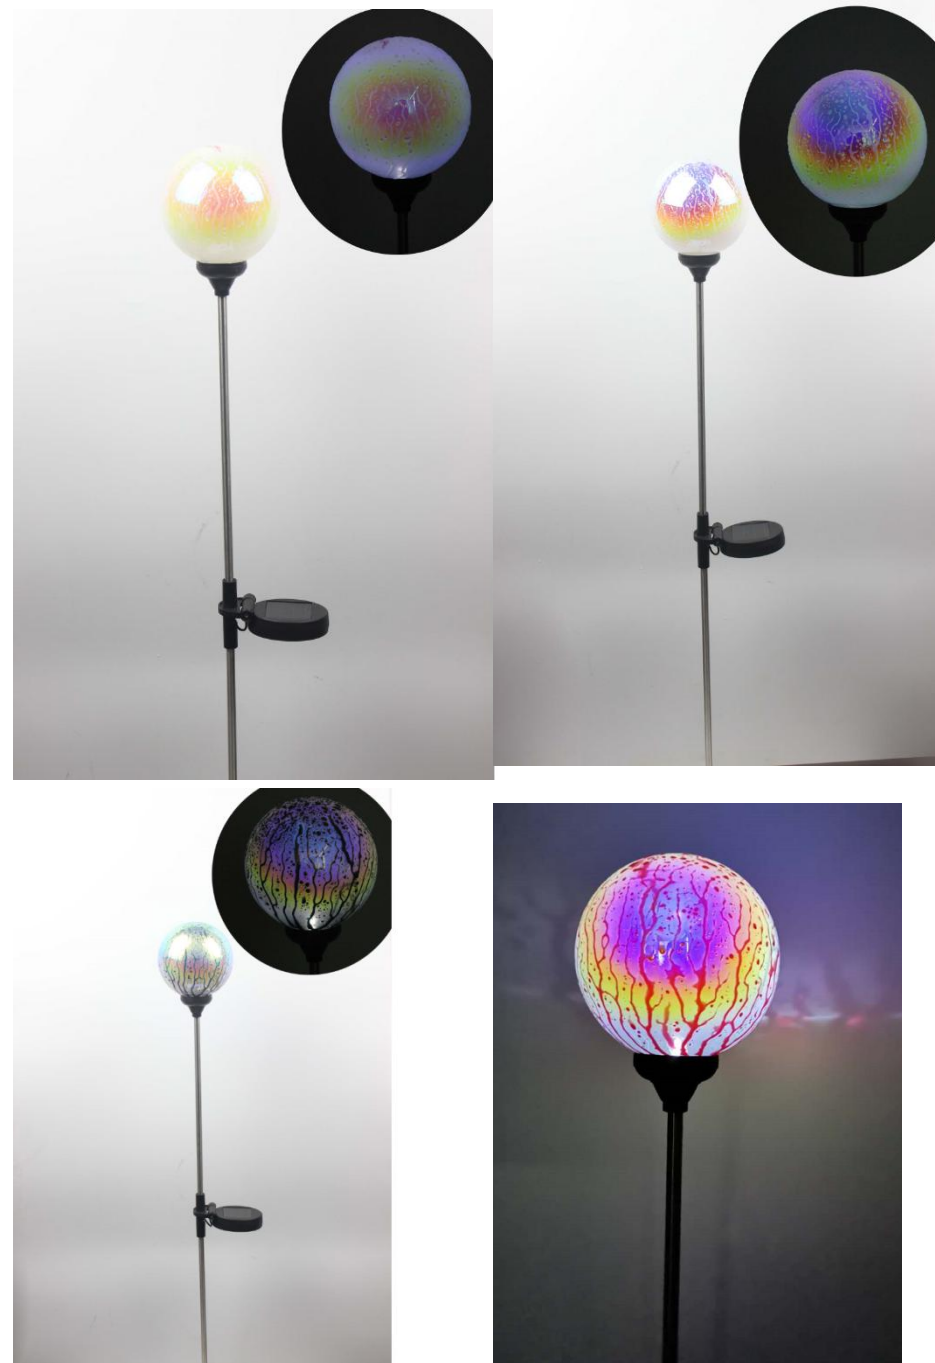

Item No.

- 1.HY20191029 solar light
2. size : 11*11*18/24cm
- 3.Solar panel: 2V/40mah
4. NI-MH Battery: 1pc NI-MH 300MAH
5. 10pcs micro led
6. Materials: metal
- 7.16pcs per pdq

Item No.

- 1.HY2020001solar art glass light
2. size : 10*10*84cm
- 3.Solar panel: 2V/40mah
amorphous solar panel
4. NI-MH Battery: 1pc NI-MH
300MAH
5. 1pc white led
6. Materials: glass
- 7.16pcs per pdq

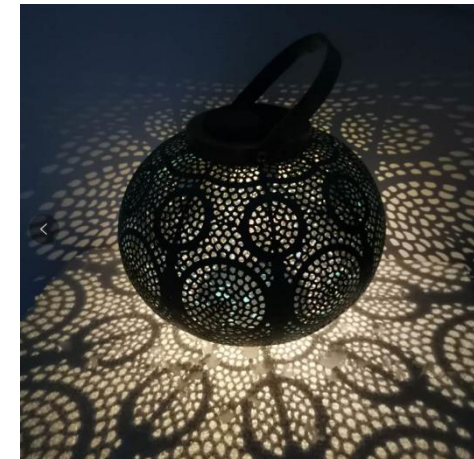

Item No.

- 1.HY202002 battery control
waterproof flame lantern light
6 hours timer
2. size : 10*10*84cm
3. NI-MH Battery: 1pc NI-MH
300MAH
4. 1pc white led
5. Materials: glass
6. 1pc per color box/4pcs per
carton
7. solar item is also possible

Item No.

- 1.HY202003abc solar high value metal lantern
2. size : 24*24*20cm
3. NI-MH Battery: 1pc NI-MH 300MAH
- 4 amphous solar panel
5. 1pc warm white led
6. Materials: metal
7. 1pc per color box/4pcs per carton

Item No.

- 1.HY2020004 solar hanging glass glazing ball
2. size : 10*10*46cm
3. NI-MH Battery: 1pc NI-MH 300MAH
4. 1pc warm white led
5. Materials: metal
6. 1pc per color box/8pcs per carton

Item No.

- 1.HY2020005abc solar twist fruit garden stake
2. size :11.5*9.5*42 cm
3. NI-MH Battery: 1pc NI-MH 300MAH
4. 1pc warm white led
5. Materials: twist plastic
6. 12pcs per pdq

Item No.

- 1.HY2020006 abc solar strip garden stake
2. size :20.5*20.5*35cm
3. NI-MH Battery: 1pc NI-MH 300MAH
4. 60pcs color changing led
5. Materials: plastic
6. 12pcs per pdq

Item No.

1.HY2020007abc solar plastic garden stake

2. size :15*15*55cm

3. NI-MH Battery: 1pc NI-MH 300MAH

4. 8pcs warm white led

5. Materials: plastic

6. 12pcs per pdq

Item No.

- 1.HY2020008 solar fabric sunflower string light set of three
2. size :15*15*83cm
3. NI-MH Battery: 1pc NI-MH 300MAH
4. 8pcs warm white led for each one
5. Materials: plastic
6. Color box or pdq
7. Single garden stake for set is possible

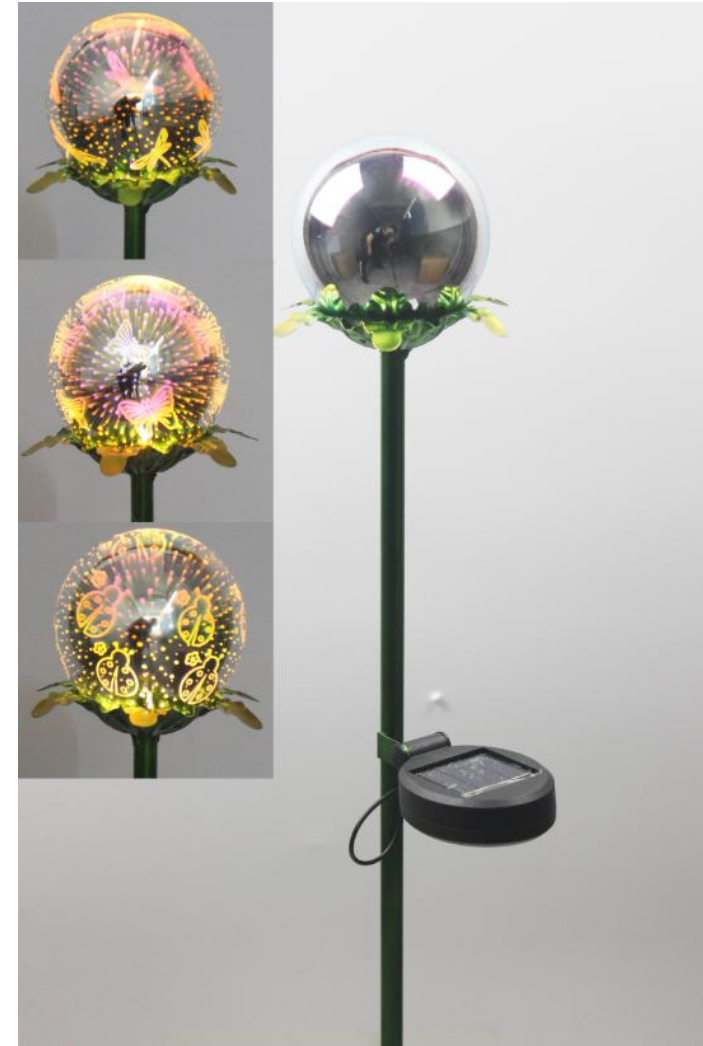

Item No.

- 1.HY2020009abcd solar fabric flower series
2. size :18*18*83cm
3. NI-MH Battery: 1pc NI-MH 300MAH
4. 8pcs warm white led for each one
5. Materials: plastic
- 6.Color box or pdq
- 7.Single garden stake for set is possible

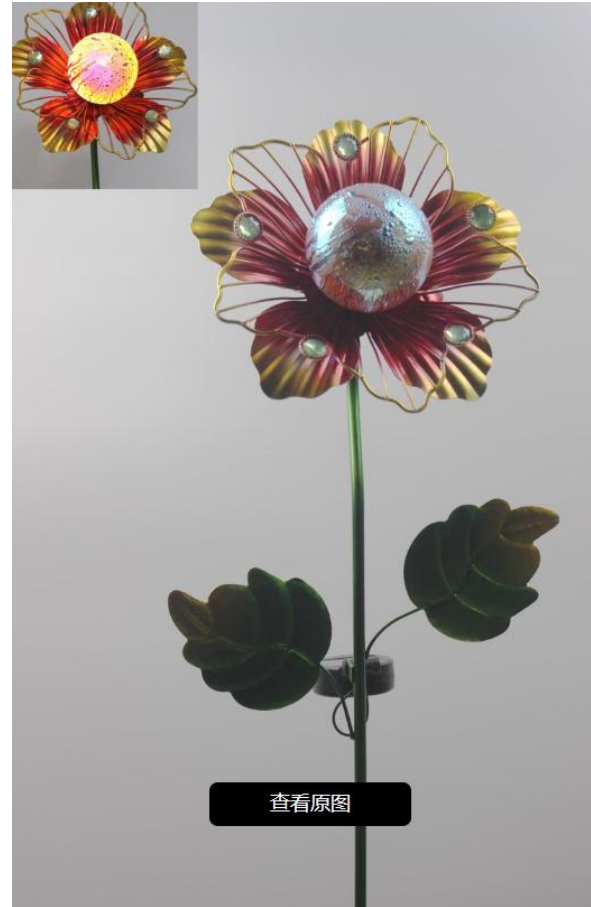

Item No.

- 1.HY2020010abcd solar 3D flower series
2. size :9*9*80cm
3. NI-MH Battery: 1pc NI-MH 300MAH
- 4 Amorphous solar panel 40*40mm
5. 1pcs warm white led for each one
6. Materials: plastic
- 7.Color box or pdq

Item No.

- 1.HY2020011AB
solar gaze glass
metal flower series
2. size :15*15*80cm
3. NI-MH Battery:
1pc NI-MH 300MAH
- 4 Amorphous solar
panel 40*40mm
5. 1pcs warm white
led for each one
6. Materials:
iron&glass
- 7.Color box or pdq

Item No.

- 1.HY2020012AB solar gazed glass metal flower series
2. size :13*13*80cm
3. NI-MH Battery: 1pc NI-MH 300MAH
- 4 Amorphous solar panel 40*40mm
5. 1pcs warm white led for each one
6. Materials: iron&glass
- 7.Color box or pdq
